

Outstanding Foundation Stage Practice

Outstanding Foundation Stage Practice is an exciting, practical course which gives you an understanding of current Ofsted grade descriptors and discusses strategies to help you to meet the new statutory framework expectations. We're working together with TT Education to offer this outstanding CPD course to schools in Wolverhampton and nearby areas.

This course will assist you to evaluate your current Early Years provision, develop monitoring and manage change successfully.

"I loved the enthusiasm and encouragement to explore and create a wonderful learning environment for children"

Jackie Taylor, Assistant Nursery Manager,
Hull Collegiate

Course objectives / outcomes

- To outline key Ofsted grade descriptors and statutory framework expectations.
- To support in evaluating current provision, develop the monitoring element and manage change successfully.
- To assist delegates in enhancing outdoor learning environments
